

MEMORANDUM

To: Roxy Barnett, EPA Region IX
From: John P. Zwierzycki, URS Consultants, Inc. 
Subject: Stauffer Chemical Company (alias ICI Americas)
Date: January 11, 1993
DCL No.: 62210.28.33.516 02.f.1

cc: Jere Johnson, EPA Region IX Work Assignment Manager
Rachel Loftin, EPA Region IX Site Assessment Manager
Sherry Nikzat, EPA Region IX Project Officer
Wenona Garside, EPA Region IX Contract Officer

Enclosed is the validated data which URS Consultants has received for the soil and sediment samples collected at the Stauffer site. Please note that this is not the complete data set. Additional data will be forwarded to you upon its receipt by URS. Also enclosed is a sample location map and a table of pH/Conductivity measurements collected from sediment sampling locations.
